Comfort AFO Liner Socks

From the innovation leader in knitted orthotic and prosthetic products

CoolMax® AFO Liner Sock

- 97% CoolMax® and 3% Lycra construction
- Specifically designed for the needs of the AFO wearer who may experience excess perspiration, or a feeling of excess temperatures, either too hot or cold
- Keeps wearer cooler in summer and warmer in winter
- A proven favorite of AFO wearers
- Wicks moisture away from the skin, providing a healthy environment for the foot and leg
- Accommodates most individuals from foot to knee allowing the sock to be rolled over the top of the orthosis, helping the sock stay up all day long
- Moisture management and breathability equals total comfort for the AFO wearer!

SilverMax™ AFO Liner Sock

The newest addition to Comfort AFO liner socks!

- Specifically designed for the unique needs of the AFO wearer who may experience excess perspiration or odors
- Ideal for those who may have problems with rashes, dermatitis, or the formation of fungus
- X-static silver plaited CoolMax® places silver directly against the skin to give maximum anti-microbial protection while wicking moisture away from the skin
- Silver naturally eliminates odor causing bacteria and helps prevent dermatitis, athlete's foot, and fungus problems
- Helpful in preventing fungus from developing against the skin where the strap is riveted to the AFO
- Completely safe and non-toxic
- Keeps wearer cooler in summer and warmer in winter
- Thermal properties of silver provide additional comfort
- Accommodates most individuals from foot to knee allowing the sock to be rolled over the top of the orthosis, which ensures the sock will stay up all day long!
- Unique and attractive color
