

AK Stump SHRINKERS

When you think of comfort, durability, and value

Think of Comfort Products!

AK Stump Shrinkers from Comfort Products combine durability and comfort into a product that is priced right for the value minded! The Comfort AK Stump Shrinkers have medium compression, yet are lightweight with a two-way stretch. The wide one way stretch elastic belt with a Velcro closure allows for comfort while still providing maximum support. The nylon covering plus fine gauge fabric gives the shrinker a softer feel, while remaining extremely durable.

Comfort's AK Stump Shrinkers are available in 5 widths and 3 lengths. The countoured crotch makes each shrinker interchangeable for either left or ride side applications. Each is available in a wide range of waist sizes to ensure a proper fit for every AK amputee!

Standard sizes are listed on the following page, though an infinite choice of belt sizes is available.
