

EXEMPLAR™

Support/Travel Sock

The Exemplar Support/Travel Sock is a light compression sock ideal for travelers in need of a little support. The Exemplar Sock enhances venous return while sitting or standing for extended periods with graduated compression of 15-20mm Hg.

The Exemplar Support/Travel sock has a Comfort Ultra Toe Seam™ for maximum comfort. Travelers will appreciate the hidden support while maintaining the appearance of a standard dress sock. The knitted top band keeps the sock in place without constriction while the graduated compression improves comfort and minimizes leg fatigue.

The Exemplar Support/Travel Sock is made using a blend of Cotton, Nylon, Polyester, and Lycra to allow the unique benefits of each material to come alive in a single product! Cotton is worn against the skin to keep the wearer cool and comfortable.

The Exemplar Support Travel Sock is available in 3 adult sizes in your choice of 6 colors ensuring that there is an Exemplar Sock perfect for everyone!
