

PLY-TWOTM

SUPER SOFT Prosthetic Sock

Amazing Stretch in Both Length and Width

The Sock of Choice for New Geriatric Amputees and a Great Post-Op Sock!

The Comfort Ply-Two Super Soft Prosthetic Sock is the softest sock available on the market today. The amazing stretch allows more amputees to be fit with fewer sizes. The Ply-Two is a feature rich sock with reinforcements for durability, double fleecing for comfort, and acrylic fibers for wicking moisture away from the skin.

Features of the Ply-Two Super Soft Prosthetic Sock include:

- Amazing stretch allows more amputees to be fit with fewer sizes
- 2 ply Acrylic and Lycra construction
- Wicks moisture away from the skin, keeping the wearer dry and comfortable
- Nylon reinforced toe for longer wear life
- Rounded toe eliminates common distal end pocket
- Non-allergenic for sensitive skin
- Flat seamed interlocking top stitch for added durability
- Machine washable
