

Comfort D.C. Sheath

The D.C. Sheath from Comfort Products is yet another innovation from the Innovation Leader in Knitted Orthotic and Prosthetic Products. The D.C. Sheath offers an intimate and exceptionally soft and comfortable fit for almost any size. Four lengths and two colors offer a solution for almost every sheath application!
Features of the D.C. Sheath Include

- SUPER STRETCH allows one size to fit most pediatric through small transfemoral amputees
- Smooth, Silky, and Soft Sheath
- Requires less inventory to handle needs
- Mild compression provides tissue containment for superior comfort
- Available in four convenient lengths in White or Beige
- Intimate fit follows contour of the residual limb
- The ultimate solution for reducing friction!
